Anthony Rinaldi
717 8Th St
Secaucus, NJ 07094

Dear Anthony:

Congratulations. We are pleased to inform you that you have been recommended by your school's faculty representative because of your fine achievements to have your biography published in the appropriate volume of WHO'S WHO AMONG AMERICAN HIGH SCHOOL STUDENTS, 1981-82.

You may also apply for a \$1,000 scholarship. Fifty awards totaling \$50,000 will be awarded again this year.

Other services for WHO'S WHO students include: The College Referral Service, which informs any college(s) you designate of your award selection; participation in our annual poll of student opinions; local publicity in area newspapers; and, national recognition through our Free Book Program which distributes the book to over 15,000 libraries, colleges and high schools. These services are described in the enclosed brochure. Additional information will be sent to you after your biography has been processed.

Recognition in WHO'S WHO is a national honor for junior and senior class high school students who have demonstrated achievement in either academics, athletics, or extra-curricular activities. Nominations are received from over 10,000 high schools and most of our nation's prominent youth organizations. Only 5% of the junior and senior class students are included in WHO'S WHO each year. You are to be commended for your achievements.

Your biography, pending completion of the enclosed form and final editing, will be published on the basis of your accomplishments. There are no financial obligations whatsoever to this award or to the granting of scholarships. If you do wish to reserve a book, simply indicate so on your biography form. Printing will be completed by Rand McNally & Company in the fall.

While recognition in WHO'S WHO represents a significant personal achievement, we know the self-gratification you have already received is the best reward possible.

Please confirm your acceptance of this award by returning your form by our deadline, February 22, 1982.

Best wishes for continued success,

**WHO'S WHO AMONG AMERICAN
HIGH SCHOOL STUDENTS**
